

## PROFESSIONAL SANITATION SERVICES

### HAVE ANY OF YOUR EMPLOYEES BEEN DIAGNOSED WITH COVID-19?

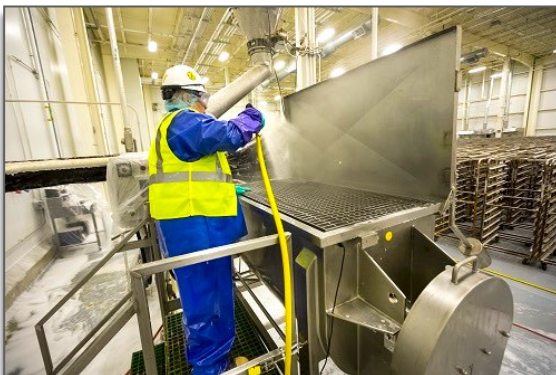

In the times we are living in, it's so easy for anyone to make a claim against your company for not taking corrective actions against Covid-19. Don't allow them to do it!

### DO NOT WAIT FOR ANYONE TO MAKE A CLAIM AGAINST YOUR COMPANY

We have developed the effective service named **COVID-19 HELP** to support your business.

### WHAT SEPARATES US FROM EVERYONE ELSE?

Our service includes **Chlorine Dioxide Fumigation at 3,000 PPM**. Rinse is not required after treatment and you can be back in business in **8 hours!**

### A LITTLE ABOUT US

Professional Sanitation Services has been successfully **sanitizing and disinfecting** industrial and commercial buildings for over 47 years.

Our service protocol includes: Experienced, Trained, and Certified Sanitation Technicians.
